

NAIRR Pilot

NAIRR AI Education Webinar Series:

Prototype National Research Platform
(PNRP) Classroom

NAIRR Pilot Classroom Expansion AI EDU Research Coordination Network (RCN)

A network supporting faculty collaboration, resource sharing, and the development of best practices for integrating AI education with the support of the NAIRR Pilot resources.

- Host monthly meetings with guided discussions on best practices, resources, and access
- Collect and share AI education resources, including curricula, data sources, assessments, course materials, and training materials for the NAIRR Pilot
- NSF NAIRR AI Education Fellows program to champion efforts at institutions across the U.S.
